PROFESSIONAL EXPERIENCE

Broadtree Partners | Berkeley, California

Private Equity Intern

January 2019 - May 2019 / January 2020 - Present

- Facilitated all aspects of deal making and execution, from industry research, sourcing, LOI, financial, legal diligence to close
- Assisted in the modelling of an LBO for a potential multi-million-dollar acquisition of a 3PL company; illustrated methods to owners and portfolio companies on how to hedge the impact of the COVID-19 crisis
- Conducted market research on industries of interest to produce informational reports shared with GPs, and represented Broadtree on calls with various SMBs to build a robust pipeline of deals.

Ardian | San Francisco, California

Private Equity Intern

June 2019 – August 2019

- Extensively priced/monitored funds in Ardian's portfolio and evaluated opportunities in the secondaries market by analyzing LP stakes within funds, allowing Ardian to more accurately report performance metrics to its investors
- Created and presented a 30-page memo for a primary investment of \$5bn into a new fund; analyzed the general partner's investment strategy, track record, portfolio companies and deal team to justify the undertaking. Presented findings to management and was successfully forwarded to investment committee
- Represented Ardian on update calls, quarterly reviews and closed meetings with prospective general partners and investors.

CBS Interactive (CBSi) | San Francisco, California

Financial Planning & Analysis Intern

June 2018 – August 2018

- Developed a comprehensive model to forecast future expenses associated with migrating CBSi's physical data centers to various cloud computing platforms to help management evaluate the potential benefits of the migration.
- Created an interactive excel revenue template for FP&A in order to catalog revenue streams from various advertising partners and determine which partners are generating the most attention.

Capital Investments at Berkeley | Berkeley, California

Head of Education / Senior Equity Research Analyst

Sep 2017 – May 2019

- Taught and presented fundamental financial and investment concepts to new members, altogether facilitating their education and onboarding
- Lead fundamental and macro due diligence as part of CIB's Directional Earnings Team; a strategy that seeks superior, market neutral returns through long/short investments made in companies announcing earnings.

LEADERSHIP AND ORGANIZATIONS

Numerade | Remote

Online Educator

August 2019 – Present

- Accelerate the learning and education of students by creating free online videos that answer textbook questions about mathematics and economics in order to help close the educational resource gap for low – income students.
- Tailor these videos to not just provide answers, but rather to cultivate a sense of curiosity and intrigue in my students and develop their passion for learning.

University of California | Berkeley, California

New Student Orientation Leader

April 2017 – August 2017

- Coordinated the orientation of 30 incoming students in a first-of-its kind program at UC Berkeley.
